George,

Herewith a copy of Army message DTG 121500Z, July 78, transmitting the substance of Army documents dated 1949 and 1952 concerning intelligence activities, including those of the CIA in [REDACTED]. A copy of my memorandum on the classification review of these documents is also included. Mr. Osgood, telephone number 697-0057 or 697-0185, telephoned me on 22 August 1978. He said that the Army wanted DCI certification that the information in these documents, including that pertaining to the Army, warrants continued classification beyond 30 years. He also requested that CIA determine a next review date.

I agreed to look into the matter and requested his telephone number in the event of questions.
